Monday-Friday | 6:30am – 5:30pm

Dear Parent,

Well done on taking this important step towards preparing your child for the future.

Many parents worry about their children being ready for “big school”. We provide a play-based learning program that will give your children the school-readiness skills they need to transition into primary school with ease.

Children learn through play, so we teach through play. We are guided by the CAPS Grade R Curriculum for our 5-6 year-olds and the National Curriculum Framework for our 1-4 year-olds to create fun lessons using music; art; storybooks; games and outdoor activities to help children learn Mathematical concepts; explore the sciences and; develop English language skills.

Our outdoor space allows children the freedom to be children; move about; explore; play; get dirty, build friendships and; make beautiful memories. We also provide nutritious meals for breakfast, lunch, and an afternoon snack, at no extra cost. We exclude dairy, pork, canned foods, and peanut butter from our meals, so as to avoid allergic reactions.

The tuition fees for this year are **R20 900 excluding registration, uniform and events**. You can pay the **full amount once-off** and receive a 5% discount or, you can pay it in **2 x half-yearly instalments** or **4 x quarterly instalments** or **11 x monthly instalments**.

Events are payable in advance to help us secure venues, items, and prices early.

Don't let your child fall behind, join our world of enrichment today!

Yours in Enrichment,

ECLAH Pre-school

*“Education is the most powerful weapon which you can use to change the world.”
~Nelson Mandela~*
