Dear Parent,

Well done on taking this important step towards preparing your child for the future.

Many parents worry about their children being ready for “big school”. We provide a play-based learning program that gives children the school-readiness skills they need to transition into primary school with ease.

Children learn through play, so we teach through play using various tools and methods, so that learners:

- Learn Mathematical concepts,
- Explore the sciences,
- Develop creative skills through art and music;
- Establish a love for reading storybooks;
- Experience holistic development

CURRICULUM

18 months – 4 years old	National Curriculum Framework (ELDAS)
4 – 6 years old	Grade R CAPS Curriculum

A typical day at school also includes:

- Daily morning yoga, exercise, meditation, and daily affirmations
- Games and creative activities
- Outdoor free play on the jungle gym, in the sandpit, and other equipment
- Building friendships, learning to share, taking turns, learning to be assertive, managing emotions, etc.
- Developing a culture of learning, discipline, responsibility, and healthy self-esteem
- Nutritious meals for breakfast, lunch, and an afternoon snack, at no extra cost. No dairy/pork/ nuts.

Enrol your child and join our world of enrichment today!
